CONDITIONS FOR REOPENING ON WEDNESDAY, DECEMBER 21, 2011**

On December 13, 2011, the Board determined that Heritage India (Licensee) must satisfy the following conditions before the summary suspension is lifted on December 21, 2011:

1. Licensee shall surrender its Entertainment Endorsement for cancellation. It shall not offer music or entertainment of any kind, including disc jockeys. The Licensee may offer background music.
2. Licensee may not use any outside promoters in any aspect of its business.
3. Licensee shall close the licensed establishment with all patrons removed from the premises, no later than 12:00 midnight, seven days a week.
4. Licensee shall provide food service from a menu to ordering customers during all hours the establishment is open to the public.
5. Licensee shall submit by Friday, December 16, 2011, an updated Security Plan that meets the Board's satisfaction to include the following items:
  - a. How the establishment will handle assaults, fights or verbal altercations that occur on or near the premises;
  - b. The establishment's process for notifying MPD;
  - c. A detailed description of the establishment's newly installed camera security system, addressing operability, coverage and location of cameras. This includes a diagram of the camera locations and a requirement that video footage be made available within 24 hours to law enforcement and ABRA investigators.
6. Licensee's ability to remain open after December 21, 2011 will be contingent upon the Board's satisfaction with the camera security system whose assessment and evaluation will be determined by an ABRA investigator following a walk-through of the system. The Board will review the supplemental investigative report to determine whether the cameras achieve adequate coverage of the interior and exterior of the establishment.
